

The following script renders the table of contents for this page.

```
template ("MindTouch/IDF/Views/TableOfContents") ;
```

Overview

Use the section below to provide a short description of the tutorial. The section is also used by other pages to provide an abstract of this page. The lead sentence should tell the reader enough about the tutorial to help them decide whether to read on or not.

Explains how to complete a self-paced learning exercise using a feature in the product.

Goal

Use the section below to describe the goal of the tutorial. You might want to offer prerequisites that must be met before the user begins the task, such as previous tutorials, configuration or product setting requirements.

After completing this tutorial you will have ...

Steps

Use each step section to describe the instructions needed to achieve the goal.

First Step

Begin by ...

Second Step

Then continue with ...

What's Next

Use the section below to describe additional considerations that were omitted for brevity and to guide the reader to further tutorials.

This is what was achieved and what was omitted in this tutorial.

Related

This section automatically lists related pages, such as child pages or pages related by tags. Remove this section if you do not want to show related pages.
